

AMERICAN VIRTUAL ACADEMY

A trusted K–12 education partner for schools and organizations nationwide.

Empower Your Community with Flexible, Accredited Online Learning

Our flexible model helps you:

- **Expand curriculum offerings** with our staff
- **Support students with non-traditional schedules** (athletes, performers, etc.)
- **Deliver high-quality instruction** with certified teachers and full reporting
- **Lighten your operational load** with full implementation support

Why Partner with AVA?

- ★ **Fully Accredited:** Cognia-accredited and approved through TEPSAC
- ★ **NCAA-Approved:** Core courses meet eligibility for college-bound student-athletes
- ★ **Certified Educators:** AVA teachers lead instruction and provide 1:1 support
- ★ **Flexible Integration:** Use as a primary or supplemental learning solution
- ★ **White Glove Service:** We manage curriculum, instruction, and reporting
- ★ **Tuition-Free Options:** Public funding available in many states

Are Your Students and Families Looking For:

- ★ Flexible schedules that support athletics, performance, or family needs?
- ★ A fully remote option with live teacher support and structured learning?
- ★ A college-ready program that meets NCAA and state academic requirements?

Whether you serve student-athletes, homeschoolers, or families in afterschool or enrichment programs, AVA helps you offer accredited, tuition-free K–12 education that aligns with your mission—and your students' needs.

Let's Partner!

LIBERTY TO LEARN

We're here to help you bring flexible, high-quality learning to the communities you serve – without adding to your team's workload.
